Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached Forms PTO 1449. This Information Disclosure Statement ("Statement") is being filed within three months of the filing date of the above-referenced application.

Copies of the listed documents were previously submitted and/or considered by the Examiner in prior applications, U.S. Patent Application Serial No. 09/472,019, filed December 27, 1999, and U.S. Patent Application Serial No. 09/041,951, filed March 13, 1998, upon which Applicants rely for the benefits provided under 35 U.S.C. § 120. Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached forms.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or

constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Patent Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.
